This Permit grants the permittee listed above or the designated sub-permittee listed below with the privileges accorded under AGFC Code 9.09. This permit is issued on the conditions set forth hereon and becomes effective on the date of issue. A Federal Permit is also required for Migratory and/or Threatened/Endangered Species.

Permittee must also possess a valid Arkansas hunting or fishing permit, as appropriate, to employ recreational hunting / fishing methods.

This permit does not allow collection of Species of Special Concern, except for American burying beetles.

Please contact the nearest Arkansas Game and Fish Commission Regional Office prior to electrofishing.

This permit is not valid until signed in ink by the permittee. Signature constitutes acceptance of all rules and requirements pertaining to this permit. This permit may be suspended or revoked at the discretion of the Director of the Arkansas Game and Fish Commission. This permit is non-transferable. This permit does not authorize trespass or collection on private or other agency lands. It is incumbent upon the individual collector to obtain appropriate permission to collect from the landowner, whether private or state/federal government.
